

# Take Care New Mexico Provider Certificate

**Part 5: Ordering COVID-19 Vaccine for Your Office**

## Helpful topics to consider when you are ordering COVID-19 vaccine for your office.

- How To Obtain Moderna and J&J Vaccine
- Ordering Pfizer
- Preparing for the Pfizer Vaccine
- How To Obtain Pfizer Vaccine at a “Redistribution” Hub Site
- Statewide Registration System

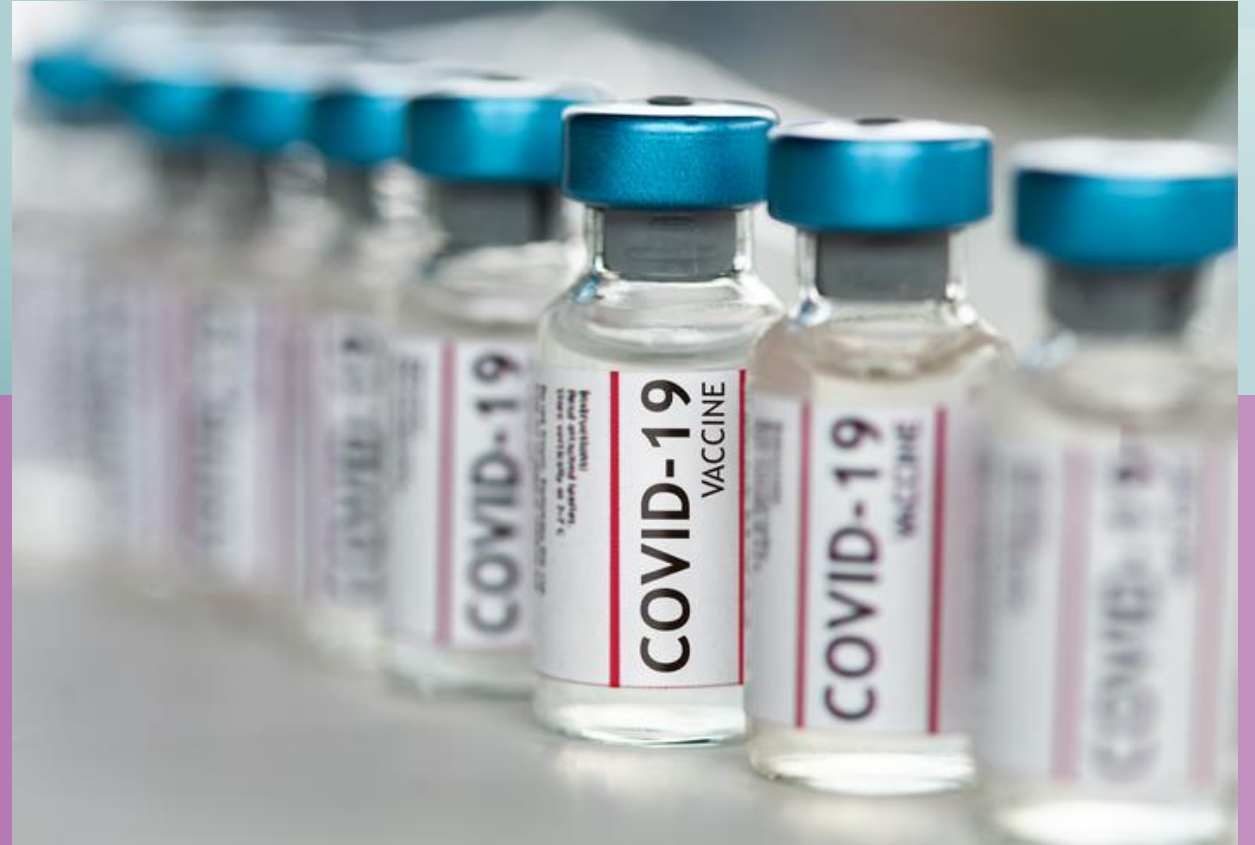

# How To Obtain Moderna and J & J

**Once you are set up in NMSIIS as a provider, you can order Moderna and J&J vaccine through NMSIIS.**

Both vaccines will then be shipped directly to your office.

*If you have any questions about ordering the vaccine please contact the NMDEPARTMENT OF HEALTH Immunization Program at [covid.vaccines@state.nm.us](mailto:covid.vaccines@state.nm.us)*

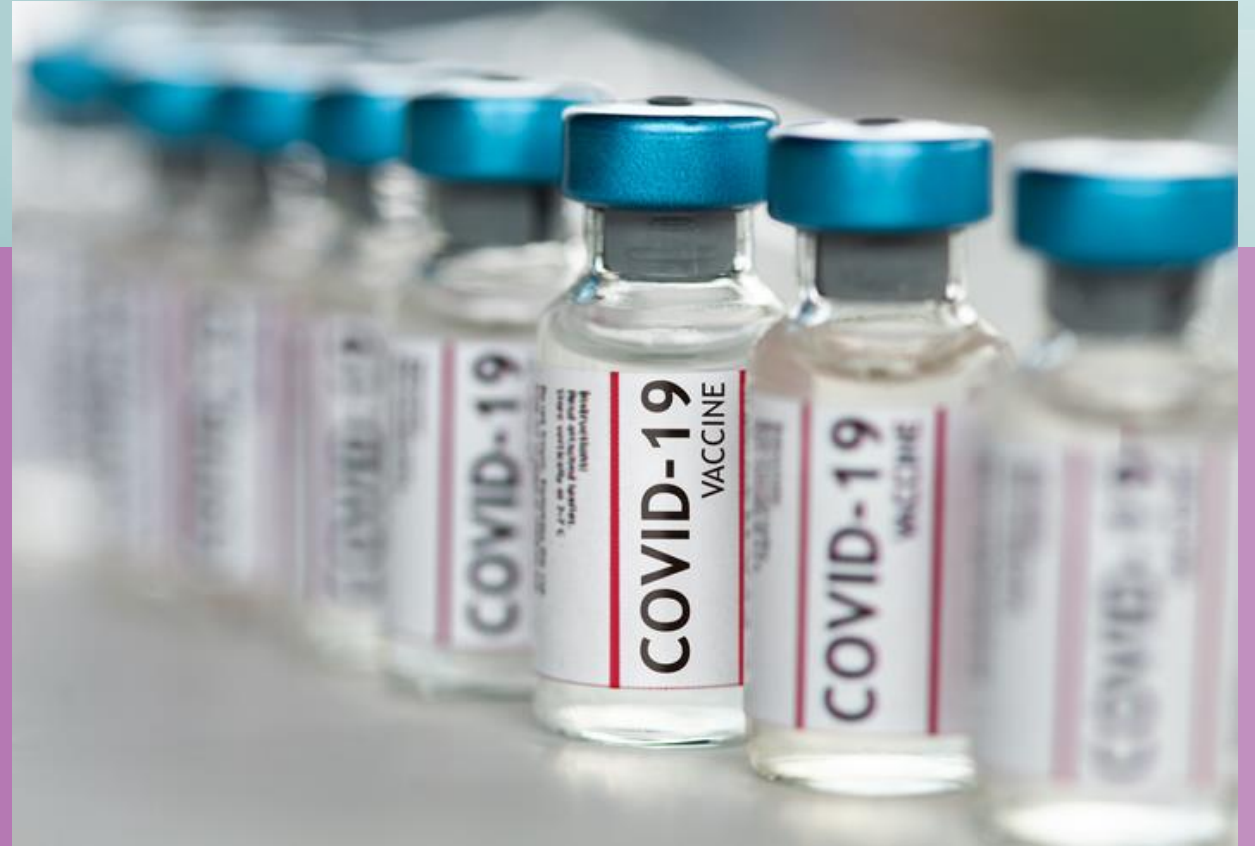

# Ordering Pfizer

## Providers can order Pfizer through NMSIIS.

- Providers can order Pfizer in the amounts of 1170 doses or 450 doses.
- Pfizer can be stored until expiration in an ultra low freezer or for 31 days in the refrigerator.
- For providers who want a smaller number of Pfizer doses, they can obtain vaccine through “redistribution” from a provider who has ultra low storage capacity.

# Preparing for the Pfizer Vaccine

# It is critical that healthcare professionals & personnel to become familiar with the guidance for Pfizer.

Pfizer specific guidance for vaccine storage, handling, preparation, and administration.

*For the full understanding of please review the Interim Clinical Considerations for Use of COVID-19 Vaccines from the CDC in the additional resources section on this page.*

# How To Obtain Pfizer Vaccine at a “Redistribution” Hub Site

## How To Obtain Pfizer Vaccine at a “Redistribution” Hub Site

Review the pick up procedures in the Take Care NM Provider Resource Hub additional resources section on this page.

# Statewide Registration System

## To use the state-wide online registration system, you will need to be a NMSIIS provider first.

Using the statewide app can help you with filling your vaccine event schedule, sending reminders to patients, and tracking and scheduling second doses.

For access to the statewide registration system, please use the following link for support:  
<https://cv.nmhealth.org/providers/vaccines/vaccine-provider-portal/>

**Any questions please contact the  
NMDOH Immunization Program at
